 E. Try all Courses! , or Walk in the opposite direction for a different perspective.

- ◇There is one toilet inside Sanshoan. On weekdays you can ask to use the restroom inside the Post office. Please keep it clean. In case of heavy rains, take shelter in Sanshoan.
- ◇There is a vending machine selling drinks across from the post office.
- ◇It's fun to wander and explore the narrow, winding roads of this area. There are lots of interesting things to see. Be sure to greet people you meet along the way.
- ◇You may take pictures of all the fruits and flowers lovingly grown by the local residents, but leave them for the people who live here.

※This map project is a collaboration between Genyo Junior High School students, APU students, an Oita University professor, the Nishi-Kamiura Regional Development Committee, and the Amabe Cultural Institute.
