## START & GOAL

### Naokawa Marugoto Market

Get Naokawa's agricultural products here. The market sells specialties and processed goods from local farms. Restrooms and vending machines available.

### 1 Giant beetle monument

Staggering! The 6.5-meter-long giant beetle is Naokawa's symbol. The realistically rendered monument is the largest of its kind in Japan.

### 2 Kurusu's Kirishima azaleas

Kirishima azaleas is city designated natural monument. It is breathtaking beautiful. The garden is open to public thanks to courtesy of the homeowner. Peak of flowers is in late spring.

### 3 A primary school's bayberry

Naokawa's largest bayberry tree was transplanted from the old Naomi Primary School, and it bears many fruits every year from June to July. It is over 100 years old and is the city's designated natural monument.

### 4 Mitake Shrine's giant cedar

The sacred tree standing tall next to the torii gate is one of the most notable spiritual vortexes in the city. Also known as the original Naomi Sugi, the village tree of the old Naokawa hamlet, its presence is sure to cleanse the soul.

### 5 Gonoharu city road

A train coursing through the countryside: you may come across such a scene as if you were watching a scene from a movie.

### 6 Gonai Shakado's stone pagodas

A stone pagoda in a unique style (AKA Rokujizo) built in the late Muromachi period and an artistic stone pagoda with a round shade stand side-by-side.
